

Community Presentation Featuring Dr. Karen Bamber

ADHD

in Children and Youth

Dr. Bamber was born and raised in British Columbia. She attended the University of British Columbia and obtained a Bachelor of Education (Primary) Degree in 1983. Dr. Bamber majored in Special Education. Following a brief teaching career, Dr. Bamber went back to UBC and graduated with a Medical Degree. After a one year Internship at St. Paul's Hospital in Vancouver, she completed a four year residency in Pediatrics at BC's Children Hospital in 1994.

Dr. Bamber has a General Pediatric Practice in Langley BC. Dr. Bamber has a special interest in Behavioral Pediatrics. She sees patients with Emotional, Behavioral, Developmental and Educational concerns.
