

Surrey Child and Youth Mental Health Services

&

The FORCE: Society for Kids' Mental Health

PRESENT

*Understanding Your Child's Behaviour:  
Practical Solutions*

**April 20, 2010**

6:30pm to 8:30pm

*Parents will gain a greater understanding of:*

- the function of their child's behaviour, or
- how to promote their child's self-control
- the relationship between development and behaviour
- how to help their child manage their problematic behaviours

Also, hear a **parent's perspective** throughout the presentation

Sign-up by calling
